

Give your career a head start within an international and innovative working environment with ARTS. As experts in engineering and production services, engineering consulting and HR services within the most diverse of high-tech industries, ARTS is familiar with the market requirements with regard to quality, and offers innovative services.

We are looking to recruit a motivated controller in aviation in Gilching who would be able to respond to the challenges set by our client from aviation with creative and innovative ideas.

## Task description

- Preparation of regular reports and analyses as a basis for important business decisions
- Responsibility for annual budget planning, forecasts and internal CP monthly financial statements
- Support and further development of cost accounting in SAP-CO both in total cost methods and cost-of-sales methods as well as the associated standard reports
- Further development of DB and product cost accounting
- Support in quotation and product calculations
- Design of business processes for determining key business figures
- Monitoring and support of projects through meaningful reports and analyses

## Requirements

- Economics or Mathematics degree, or alternatively academic training
- Several years of professional experience in a manufacturing company in a comparable field of activity
- Very good knowledge of MS Excel and SAP (CO, MM, PP and PS, Report Writer/Painter)
- Excellent numerical and analytical skills
- Hands-on mentality and assertiveness
- Good knowledge of German and English

## Our Services

- Permanent employment contract
- Above-average, performance-linked remuneration
- Bonuses and allowances above standard rates
- Annual bonus payments
- Personal support close to work
- Company pension scheme with employer contributions
- Extensive opportunities for training and further education
