

AIRCRAFT MECHANIC (M/F/X)

ARTS

With a high level of motivation and the best expertise available, the employees of ARTS work on a daily basis to realise the vision of our customers. More than 500 ARTS employees at 25 international locations define the future of technology today, working actively alongside internationally active high-tech companies. Together with ARTS you too can make your career a calling.

For our customer we are looking for an **Aircraft Mechanic** in **Wittmund** for a period of 6 weeks from the beginning of November'19. Prove yourself and convince us with a good portion of commitment and sense of responsibility.

Task description

- Production of different aircraft types in cooperation with the team
- Assembly of fuselage, wing, elevator, etc. under instruction
- Carrying out the phase inspection
- Maintenance and repair of aircraft
- Documentation of the work carried out

Requirements

- Completed training as aircraft mechanic with Aircraft Maintenance Licence (e.g. basic course type B)
- Experience in aircraft construction
- Experienced knowledge of English
- English curriculum vitae is an advantage
- Structured and independent working method

Our Services

- Exciting tasks in a motivated team
- Open and friendly working atmosphere
- Reduced prices at the local hotels
- Holiday flats are made available
- Special conditions for the purchase of accommodation

Wittmund | 3786
