

PAINTER AND VARNISHER (M/F/X)

ARTS

With a high level of motivation and the best expertise available, the employees of ARTS work on a daily basis to realise the vision of our customers. More than 500 ARTS employees at 25 international locations define the future of technology today, working actively alongside internationally active high-tech companies. Together with ARTS you too can make your career a calling.

For our customer we are looking for a **Painter or Varnisher** in **Gilching near Munich**, who can enrich our team with his motivation, commitment and structured way of working. We look forward to meeting you!

Task description

- Priming and painting of components and assemblies in series production with brush and paint spray gun
- Checking the availability of parts and materials as well as reporting missing stocks
- Removal of malfunctions and preparation of materials
- Positioning and covering of components according to specifications
- Smoothing of the sealing compound using a spatula and subsequent DWP check (documented worker test)
- Observance of version-specific specifications, such as construction documents, standards and regulations (e.g. 80 T - xxx, MTM - Manual AIPS, MHB, QMH)

Requirements

- Completed training as a painter or varnisher
- Professional experience in handling the paint spray gun
- Experience in handling sealants (e.g. Seal) as well as in aerospace painting is desirable.
- Willingness to work weekends and shifts
- Accurate and reliable operation

Our Services

- Permanent employment contract
- Above-average, performance-linked remuneration
- Bonuses and allowances above standard rates
- Annual bonus payments
- Personal support close to work
- Company pension scheme with employer contributions
- Extensive opportunities for training and further education
