

PROJECT MANAGER (M/F/X)

ARTS

The future of technology is defined by people with vision and innovative ideas – people like you! As experts in engineering and production services, engineering consulting and HR services, for almost 20 years we have been supporting customers from the most diverse of high-tech industries. Become a member of our team of 500 experts and give our customers at 25 project sites the edge over the competition.

We are looking for a **Project Manager** in **Hamburg-Fuhlsbüttel**. Help our customer **Lufthansa Technik AG** to achieve maximum competitiveness and enrich the team with an innovative way of thinking.

Task description

- Coordination and support of (sub-) projects
- Preparation and follow-up of project meetings, workshops and review boards
- Preparation of reports on projects and, if necessary, representation of projects in management meetings
- Implementation of risk analyses and effective risk management
- Monitoring of employee dispositions for the projects
- Development of measures to achieve an improvement in results and commissioning of corresponding implementation projects
- Consulting and support of project managers and project staff

Requirements

- Completed studies in (economic) engineering sciences, business administration, or similar
- Distinct understanding of processes and products of the aviation industry
- Know-how in understanding business management contexts
- Very good knowledge of MS Office
- Fluent German and basic English
- Structured and goal-oriented team player

Our Services

- Permanent employment contract
- Above-average, performance-linked remuneration
- Bonuses and allowances above standard rates
- Annual bonus payments
- Personal support close to work
- Company pension scheme with employer contributions
- Extensive opportunities for training and further education
