

SECURITY AND NETWORK ADMINISTRATOR (M/F/X)

ARTS

Behind technical services and innovative ideas there are always people with vision. People who, with their knowledge and drive make technical success possible in the first place – people like you. As experts in HR services, ARTS assists high-tech companies worldwide within the scope of their personnel placement, deploying the best minds to create more effective and efficient processes.

Energetic. Organized. Sharp-witted. Future-oriented. Do you feel addressed? Do you also enjoy implementing the concepts you have developed in a solution-oriented and independent way? Then become the new **Security - and Network Administrator Citrix ADC / NetScaler** and support our customer in **Hamburg** in the future.

## Task description

- Implementation of administration processes in the area of Citrix ADC / NetScaler and Citrix XenApp
- Advice on the planning of implementation ideas
- Analysis and elimination of network faults and creation of test cases
- Administration of Cisco routers, switches and firewall systems as well as load balancers based on Citrix ADC / NetScaler
- Conception, further development or operation of Citrix based infrastructures
- Development of Citrix related or Citrix based products
- Setup and configuration of user-specific applications on the Citrix XenApps
- Implementation of the authorization concept and parallel connection to the Microsoft Active Directory

## Requirements

- First or several years of professional experience in the above-mentioned task environment
- Know-how in the field of Citrix technologies (e.g. Citrix XenApp, Citrix ADC / NetScaler)
- First experiences with Windows servers (e.g. 2012-2016), Microsoft Active Directory, PowerShell, in Linux environment or with TCP/IP
- Knowledge of load balancing or SSL VPN as well as routing protocols (OSPF, BGP, MPLS)
- Experience with products from Cisco, Checkpoint, Juniper, Sophos or similar manufacturers
- Certification in the area of Citrix (e.g. CCPN) or Microsoft (e.g. MCSE) is an advantage
- Expertise in management consulting or in the operation of large enterprise IT infrastructures is desirable
- Good knowledge of English and German
- Willingness to travel and driving licence class B are required

## Our Services

- Exciting tasks in an innovative environment
- Modern workplace
- Above-average and performance-related pay
- Over-tariff surcharges and allowances
- Open and friendly working atmosphere
