

SPRAY PAINTER (M/F/X)

ARTS

With a high level of motivation and the best expertise available, the employees of ARTS work on a daily basis to realise the vision of our customers. More than 500 ARTS employees at 25 international locations define the future of technology today, working actively alongside internationally active high-tech companies. Together with ARTS you too can make your career a calling.

Do you have experience in painting, high quality awareness and team spirit? Then apply today and become the new **Spray Painter** at our customer **Lufthansa Technik AG** in **Hamburg-Fuhlsbüttel**. We look forward to receiving your application.

Task description

- Paint stripping of aircraft components by sanding
- Painting of the components in the spray booth
- Carrying out all preparatory and post-processing work required for the painting work (e.g. cleaning surfaces, masking before painting, removing masking after painting)
- Mixing of primers and top coats with hardener and thinner
- Compliance with safety regulations

Requirements

- Completed vocational training as a painter or varnisher
- Experience with the spray gun desired, e.g. as a car painter
- Good knowledge of German and English
- Willingness to work shifts
- Willingness to learn, reliability and diligence

Our Services

- Permanent employment contract
- Above-average, performance-linked remuneration
- Bonuses and allowances above standard rates
- Annual bonus payments
- Personal support close to work
- Company pension scheme with employer contributions
- Extensive opportunities for training and further education
